

AI for UX Professionals

Practical, hands-on training to bring AI into your research and design workflow — from individual mentoring to team workshops.

INDIVIDUAL

1:1 Mentoring

Tailored to your goals and current projects.

HOURLY

\$200 /hr

Pay-as-you-go sessions. Best for one-off questions, portfolio reviews, or a specific challenge you want to work through.

MONTHLY PACKAGE

\$400 /mo

Two calls per month plus async support between sessions. Ongoing guidance as you build new skills into real work.

4-SESSION PACKAGE

\$800

A structured one-time program with a clear arc — from fundamentals to a finished, AI-assisted project.

GROUP

Workshops

Hands-on and cohort-based — learn by building alongside peers.

1-DAY WORKSHOP

\$600–800 /seat

A focused single day (9–5) covering core AI tools and techniques, with live exercises and takeaway templates.

2-DAY CLASS

\$700–900 /seat

Two four-hour sessions for deeper skill transfer — more practice, feedback, and a project you complete across both days.
